Sherwood Seminar Tuesday, March 20, 2018 "Your Health and the Well-being of our Community."

Guest speaker is Ken Kozel, President and CEO of the UM Shore Regional Health. Ken will tell us how the Easton Hospital has expanded services and what that means for us. Of special note is the establishment of a new state-of-the-art cardiac catheterization facility, which minimizes the need for emergency transport to the Western Shore. Talbot County ranks 5th highest out of 24 counties in Maryland for health outcomes. Ken will explain priorities for improvements to achieve the best opportunity for each of us to live long healthy lives. Please plan to join us for this important program **at the Church Hall**.
