Tilghman Elementary Enrollment Plan Working

"We have raised our enrollment capacity ratio from 38 percent at the beginning of this effort to 54 percent currently in those 27 days," Shotel said. "My personal goal as we started this process was to raise our enrollment by 50 percent. I am optimistic that our efforts will exceed that goal."

Our own Jay Shotel was quoted in the Star-Democrat article of 4/3/18.

Thank you to all! Keep the effort going until enrollment exceeds the goal!
