Tilghman Island Health Center

Effective Friday, May 4th Choptank Community Health opened a satellite office at Tilghman Elementary School.

Entrance to the center is through a separate door marked "Wellness Center". Services provided include: Acute Care, sick visits, management of chronic conditions, blood draws, lab testing, physicals (yearly exams, Medicare wellness exams, well and sick baby checks, sports physicals).

The center is staffed with nurse practitioner Greg Dukes from St. Michaels and our very own Eileen Reiss, RN.

The center will be open each Tuesday and Friday from 2-6pm and appointments may be made by calling 410.886.2222. All insurance accepted.

This is exciting to have this service here on Tilghman and we have been waiting for it for 15 years, since the school was renovated in 2003 to include a wellness center.

Please consider using it so that we can keep it.
