Sherwood Seminar Tues, June 19, "Your Health and the Well-being of our Community."

Our guest speaker will be Ken Kozel, President and Chief Executive Officer of University of Maryland Shore Regional Health. (rescheduled from March) Ken will tell us how the Easton Hospital has expanded and improved services and what that means for those of us in the Village of Sherwood and the Bay Hundred area. Of note is establishment of a new state-of-the-art cardiac catheterization facility, which minimizes the need for emergency transport to the Western Shore. Please plan to join us for the program at the Sherwood Church Hall. Refreshments will be available at 6:30 pm and our program will start promptly at 7 pm.
