HELP WANTED

Tilghman After School Kids (TASK)

We are looking for kind and caring people who enjoy working with children. We could use (1) additional hands-on help with our afterschool program (even one day a week!), (2) instructors who would like to teach an enrichment class in their area of interest, and (3) tutors to help our youngest kids in reading and older ones in math and science.

Contact Brandy Frampton (410-310-7411) to help with TASK, or Pat Yeager (443-605-7048) to help with tutoring!
