## Ribbon Cutting Ceremony for 1880 Bank Machine - February 4<sup>th</sup> @ Noon

The community is cordially invited to attend the ribbon cutting ceremony for the 1880 Bank Machine and Visitor Kiosk in Back Creek Park on Monday, February 4th at 12 noon. This state of the art Bank Machine is an ATM with an integrated teller feature that will allow you to talk to a bank teller during banking hours. **It is the first machine of its kind in the state of Maryland!** The 1880 Bank has made a substantial contribution to the residents of Tilghman. Let's show them our appreciation by attending the ceremony and giving consideration to opening an account with them. Accounts may be opened on-line or in person at their Glebe Road or Idlewild Avenue offices in Easton. 1880 plans to have a community meeting in the near future to explain all of the benefits of the machine. Details to follow.
