Gary Crawford 1942-2020

It is with great sadness that we bring news to the Tilghman community that Gary Crawford passed away March 5th. Gary was a resident of Fairbank. He was very interested in waterman's culture and local history and spent years doing research, interviewing watermen, and writing books and articles on local history. He was a regular contributor to the Tidewater Times and for many years published the Island Flyer, a local newsletter. He was an active volunteer at the Phillips Wharf Environmental Center (PWEC). He and his wife Susan owned and operated Crawford's Nautical Books in the old bank building. Thank you Gary, for sharing your gift of storytelling and your writings with us. You taught us a lot. Gary was a "Friend of St. John's Chapel" who researched, reconstructed and maintained the cemetery records for St. John's Chapel for many years. He will be greatly missed. Our condolences to his dear wife Susan and his family members. A celebration of his life will be held on the Island at a later date to be announced.
