Behind the Scenes at TWM

The Tilghman Watermen's Museum has not yet determined when we will be able to open to the public. However, we have been busy putting together a new exhibit "Tilghman, Back in the Day" featuring photos of guest houses and businesses from long ago. We recently interviewed Clarence Marshall, 95 from Wittman. Clarence was instrumental in starting the clamming business. He opened the Chesapeake Seafood Company at Lowes Wharf with Bernard Cummings.

TWM Scholarship Awarded

The Tilghman Watermen's Museum is pleased to announce their 2020 scholarship award winner. Sincere R. Taylor, a graduating senior from St. Michaels High School has accepted a \$1,000 scholarship that will help further her studies at Stevenson University, where she plans to do her undergraduate work in preparation for medical school. Sincere is from McDaniel and attended the Tilghman Elementary School. Her academic credentials are outstanding. Congratulations Sincere!

USDA Farmers to Families Program

As a part of the Farmers to Families Program, we will be giving away fruits and vegetables on Fri & Sat, May 29th & 30th from 9 to 11 am at the Tilghman Methodist Church. We expect this to be a weekly event for at least the next several months. Farmers sell food previously destined for restaurants and bulk purchasers preventing waste. This food is for anyone who can use it, not just for people with financial need. Feel free to share this information and pick up food for neighbors who are not venturing outside at this time.
