Forgotten Medals Awarded to Local POW Hero

On Nov. 15th, "Miss June" and members of her family were surprised when members of the TWM board posthumously awarded her a plaque with five military medals earned by her husband, Reese Harrison – 67 years later! The ceremony also included a presentation of a Governor's Citation by Jeannie Haddaway-Riccio. Reese was captured and held as a POW for over 2 years during the Korean War. When he finally returned to Tilghman, over 2,000 people showed up for a parade in his honor to celebrate "Reese Harrison Day."

TWM President Ted Cutler became curious about Reese's experience while reading an old article on display at the museum. Realizing that Reese never received the medals he earned, he and local resident Johnny Kinnamon began the year long investigative process to set the record straight. Miss June and the family were deeply touched as Ted and Johnny told the story, and thanked the people of Tilghman for supporting them during that difficult time. Reese died of cancer at 46 years of age. The full story was printed in the Wednesday edition of the Star-Democrat. View online at: www.stardem.com.
