Tilghman Watermen's Museum Update

TWM wishes to thank all of our faithful supporters who responded to our 2020-21 annual appeal. Due to COVID, it was our only fundraiser for the year. Your generous contributions will help us to keep the lights on and move forward with our vision of preserving the history and heritage of Tilghman. We can't wait to open so that you can come to see our new exhibit "Tilghman, Back in the Day". We hope to get some of our faithful followers of the "Growing Up on Tilghman" Facebook page to join us in telling the stories of Tilghman. In the meantime, we are working on interviews, oral histories and accessioning our collection in the latest software program. Interested in becoming involved in the museum as a volunteer, or telling your family story?
