At the Cross Ministries / St. John's Chapel would like to thank all of the volunteers, businesses, musicians and organizations who helped make the Community Fun Day a huge success! When was the last time you saw so many kids and adults having so much fun without electronics!! Thanks everyone for pulling together to make it happen!

What's Happenin' at the Watermen's Museum

You may have noticed a lot of activity on the Museum grounds lately. TWM recently received a gift of a Pilot House from the buy boat Arabelle. The Arabelle was built in the late 1800s and was originally from Delaware. Buck Garvin used the boat for many years. When he scrapped it in the 1950's the Pilot House was put in what is now J.C. Kinnamon's boat shop. Donated by Gail Rice, Buck Garvin's niece, the Pilot House was moved to TWM and is a work in progress. Thanks to J.C., Johnny Kinnamon, Ted Cutler and Hall Kellogg for all of the work done thus far.

In other news: TWM art that has been on display at the St. Michaels Library can be viewed until the end of August. If you have not been in to the Museum this season, now is the time to come in. Don't miss our current exhibit "Tilghman Back in the Day".
