TWM Presents "Year on the Water"

On Saturday, March 5th at 1:30 PM, TWM will host a presentation by Marc Castelli at the Tilghman Volunteer Fire Hall. Marc has spent the last twenty-five years working side by side with local watermen. More than an award-winning artist, Marc is an advocate for watermen. He spends at least 100 days of the year crabbing, clamming, oystering and fishing with them. Through slide lectures, writing papers about watermen's issues, and testifying at Senate and House hearings that directly bear on the watermen, his art is seen and his voice is heard. He recently became "Artist in Residence" at the Tilghman Watermen's Museum and is creating art for interpretive signs for new outdoor exhibits opening in 2022. A "Year on the Water" will give you a new appreciation for daily life on the water. Admission is free. Refreshments will follow. For information call 410-886-2930.
