Did you know that ...

- Tilghman Island has a long history of hospitality.
- 1892 saw the first steamboat wharf in service to bring visitors from Baltimore and Washington.
- Residents welcomed guests and summer boarders to supplemented their income.
- By 1900 purpose built boarding houses were being constructed for island guests.
- Roads replaced ferries in the 1920s allowing the hospitality industry on Tilghman to grow.
- Island guests would sport fish, hunt, boat, and enjoy the natural beauty and amenities of Tilghman Island (as they still do today!)

The 2022 TWM Christmas Ornament is now for sale at the museum, Two if by Sea Café, 2 Vintage Chics, Fairbank Tackle and online at tilghmanmuseum.org. The ornament is a map of Tilghman with landmarks. Cost in \$ 25.00
