EVENTS ON TILGHMAN ISLAND AND NEIGHBORING COMMUNITIES

SPONSORED BY TILGHMAN WATERMEN'S MUSEUM – CALL 410-886-2930 TO LIST ITEMS OR EMAIL TWM6031@GMAIL.COM

Volume 14 – Number 8 – April 12, 2023

Please keep Tuesday April 18th open because the Mid-Shore River Keepers (MRK) are coming to the Sherwood Seminar. The MRK is a science-based nonprofit advocacy group that monitors the water quality of mid-shore rivers such as the Choptank and its tributaries (Harris and Broad Creeks). They educate local communities concerning water quality conditions and how to improve them.

Matt Pluta, the Choptank River Keeper and Director of River Keeper programs, will be with us to discuss water quality of the region, especially the waterways of the Choptank.

Please join us at 6:30 PM in the Sherwood Church Hall for refreshments prior to the program at 7:00 PM
