LET'S CREATE TOGETHER!!

The great picture round-up is under way for our **Tilghman Watermen's Museum 2025 Calendar**. Because we got so many great photos last year the 2024 calendar was a sell-out success. Hundreds of 2024 Calendars were printed and sold. Help us make the 2025 Calendar even better!

Here are some basic guidelines:

- Tall, skinny pictures and subjects are not as useful. Square or horizontally rectangular photos work better – pictures shaped like a TV screen. 'Landscape' is better than 'portrait'. 8 X 10 works well.
- Pictures of people and boats are especially helpful.
- Children and pets are also really good.
- Sunrises and sunsets come in by the dozens, so the competition in that area makes it tougher to get into the calendar.
- Fall and winter are useful because we don't get as many of those.
- Basically, the more 'Tilghman' a photo is, the more helpful it is. Tilghman people, boats, events, landmarks and buildings
- Phone pictures are OK. The bigger, the better.
- Pictures work better sent as attachments to an email.
- Please don't compress the photos or edit them.
- The photo deadline is September 1st.

Send your photos by replying to this message. The email is harpoon@atlanticbb.net Questions or suggestions? Use the above email to contact Mark Churchill. Thanks to all and get those pictures in!
