 Volume 15 – Number 13 – June 19, 2024

Plein Air artists will be painting on Tilghman Island Monday, July 15th.

Their art, painted on our beautiful island that day, will be exhibited and for sale at the Tilghman Island Inn from 5-7 pm

Congratulations to **Joelle Wiese** who is the Tilghman Watermen's Museum Ambassador of the Month! Joelle is one of our newest volunteers. She stepped up to assist with our Christmas display in 2023 and then again when she joined the Splendor Committee earlier this year. Joelle was a tremendous help in soliciting items for our auction. She is now working at museum giving tours. Congratulations Joelle! We are so happy you've joined our team!

The Watermen's Museum will be celebrating its 15th Anniversary on June 26th. Happy Anniversary to TWM.

The Tilghman Volunteer Fire Company needs your help in raising funds to purchase a **Heart Monitor**. This is a crucial addition to our company due to the elementary school in our area and a drawbridge that has proven time after time to be unreliable. In addition, when the paid county ambulance stationed at our fire department gets dispatched for a call, there is no backup heart monitor available. We must wait for an ambulance from St. Michaels or, even as far away as Easton, to respond to get access to a heart monitor. Having our own heart monitor would **GREATLY benefit** our community. Please send your donations today to Tilghman Volunteer Fire Company, Heart Monitor Fund, P. O. Box 297, Tilghman, MD 21671. Our fire company is a 100% volunteer organization that relies on donations and revenue from fundraisers to help pay our day-to-day expenses. We are not like St. Michaels or Easton fire companies in that they receive funds from their towns. Thank you for your generosity and support!

TWM publishes What's Happenin' as a community service. Copies are available at the Post Office or on our website: tilghmanmuseum.org. For an email version email: whatshappening6031@gmail.com. Next issue will be July 3, 2024, with submissions by **SUNDAY** June 30, 2024.

The great picture round-up is under way for our **Tilghman Watermen's Museum 2025 Calendar**. Because we got so many great photos last year the 2024 calendar was a sell-out success. Hundreds of 2024 Calendars were printed and sold. Help us make the 2025 Calendar even better!

Here are some basic guidelines:

- Tall, skinny pictures and subjects are not as useful. Square or horizontally rectangular photos work better – pictures shaped like a TV screen. 'Landscape' is better than 'portrait'. 8 X 10 works well.
- Pictures of people and boats are especially helpful.
- Children and pets are also really good.
- Sunrises and sunsets come in by the dozens, so the competition in that area makes it tougher to get into the calendar.
- Fall and winter are useful because we don't get as many of those.
- Basically, the more 'Tilghman' a photo is, the more helpful it is. Tilghman people, boats, events, landmarks and buildings
- Phone pictures are OK. The bigger, the better.
- Pictures work better sent as attachments to an email.
- Please don't compress the photos or edit them.
- The photo deadline is September 1st.

Send your photos by replying to this message. The email is harpoon@atlanticbb.net Questions or suggestions? Use the above email to contact Mark Churchill. Thanks to all and get those pictures in!
