The Judy Center Early Learning Hub at Tilghman Elementary

Collaboration and partnerships with the community lie at the heart of Maryland's Judy Center Early Learning Hubs. Judy Centers are not childcare centers but a comprehensive hub where families can participate in family learning experiences and receive services and support. Judy Centers are in Title 1 and high-needs Elementary Schools in every Maryland jurisdiction. There are 96 Judy Centers across the state.

Judy Centers empower a child's first teachers- their families- by supporting child development and early learning skills for our youngest learners from birth through Kindergarten.
